

Olha Polyuha

UX/UI DESIGNER

UX/UI Designer with 5 years of experience designing web platforms, dashboards, mobile experiences, and user-centered digital products for international teams. Strong in UI design, information architecture, prototyping, design systems, and translating complex workflows into clear, accessible interfaces.

WORK EXPERIENCE

UX/UI Designer / Relief Applications

JUNE 2024 - PRESENT / remote

- Designed responsive web interfaces, user flows, and digital platform experiences for international nonprofit, educational, humanitarian, and UNESCO-related projects
- Created wireframes, prototypes, and high-fidelity UI for dashboards, mobile application flows, fundraising campaigns, event discovery, user profiles, and data-heavy interfaces
- Translated complex stakeholder requirements into clear product structures, accessible layouts, and scalable interaction patterns
- Collaborated with developers, project teams, and stakeholders to iterate on designs, support handoff, and improve usability across web and mobile experiences
- Contributed to design systems, reusable UI components, accessibility improvements, and UX consistency across multiple digital products

UX/UI Designer / Self-employment

MAR 2022 - JUN 2024 / worldwide

- Designed responsive websites, landing pages, and digital materials for small businesses and international clients
- Created wireframes, visual concepts, and high-fidelity UI layouts tailored to client goals and brand direction
- Delivered branding, social media, and communication materials to support digital campaigns and online presence

UX/UI Designer / Kika Lab

JUNE 2020 - MAR 2022 / remote

- Designed user-focused web interfaces from wireframes to final UI for websites, online stores, and landing pages
- Created responsive layouts and visual concepts aligned with client requirements and business goals
- Collaborated with project teams in an agile environment to iterate on designs and prepare assets for development
- Supported branding, visual communication, and digital campaign materials across multiple client projects
